Why purchase a tile or brick?

Your purchase of a tile or brick helps to support :

- Wildlife education for over 3,500 area youth, annually
- The function and maintenance of the new Stanton W. Mead Education and Visitor Center
- Wildlife management practices on the Mead's 33,000 acres and the McMillan's 6,500 acres
- Updated maps and information on Mead and McMillan Wildlife Areas
- Maintenance of the Mead and McMillan Bike Trails

What is the Mead?

- Nestled in the valley of the Little Eau Pleine River, the George W. Mead Wildlife Area encompasses over 33,000 acres of open marshes, hardwood and aspen forests, and grasslands.
- Third largest wildlife area in Wisconsin.
- Mead's diverse habitats harbor an abundance of wildlife species such as deer, turkey, bear, otter, herons, prairie chickens, foxes, frogs and turtles.
- An important resting, feeding, and nesting site for migrating waterfowl, shorebirds, and songbirds.
- Managed by the Department of Natural Resources to maintain and enhance habitats that support wildlife.
