

Youth Waterfowl Learn to Hunt Workshop

-  Will you be 12, 13, 14 or 15 years of age next fall?
-  Have you successfully completed a Hunting safety course?
-  Would you like to learn about waterfowl hunting from a group of experienced waterfowl hunters?

The second weekend of September, DNR Wardens, Wildlife Biologists, Conservation groups and local volunteers will be providing a "Learn to Waterfowl Hunt" workshop.

You will learn about the history of waterfowl hunting, wildlife management, waterfowl identification, waterfowl hunting techniques, boat safety, firearm safety, rules and regulations, dog training, and other topics related to waterfowl hunting. You will also receive an invitation to other waterfowl related activities throughout the year.

This is a great opportunity to learn about this popular outdoor activity and participate in the youth hunt, which typically takes place the 3rd weekend in September. An experienced waterfowl hunter will mentor you on the day of the clinic as well as the day of the youth hunt.

If you are interested in attending please print this page, complete the bottom of this announcement and mail it, before August 10th, to:

LTH - WATERFOWL
ATTN: Conservation Warden Barry Fetting
S2148 CTH S
Milladore, WI 54454
